

# CardiologyPACES

## Do you want to

- Listen to **every** possible murmur **including** the 'rare ones'?
- Examine Corrigan's pulses, splitting of heart sounds, ejection clicks, heaves/thrills and more?
- Examine **rare** non-cardiac conditions that have a wide variety of cardiovascular signs, such as Marfan's syndrome and others?

## At the CardiologyPACES Course

- You get to examine **20 patients**, for 10 minutes each, **without** critical colleagues watching over You.
- Individual 1:1 feedback by 8 Cardiology Registrars and a Consultant Cardiologist.
- Sessions on examination skills, common stations, presentation skills, management and viva-questions, *Station 5* and 'Tips and Tricks'.

## Testimonials from our last course

- "More murmurs in one day than in years of clinical practice!"
- "Safe place to ask questions"
- "Really extensive patients with lots of signs"
- "Amazing to see 20 patients..."
- "I think it was extremely good, and good value for money..."

## Next Course

- We organise one course per MRCP (UK) PACES Exam. Our next course is on **13/01/2019**, the Sunday *before* the 2019/01 examination diet allowing everyone to attend regardless of their actual PACES exam date.
- We can **only** accommodate **20 candidates**. This gives you a unique 1:1 Candidate to Patient and a 2:1 Candidate to Tutor ratio but means places are limited.

So, please book early to avoid disappointment!

- Venue: Macclesfield Hospital, Victoria Road, Macclesfield, SK10 3BL

[Direct trains](#) to Macclesfield train station are available from Manchester, Birmingham, Stoke-On-Trent, Oxford, Southampton and London. Journey time from London-Macclesfield is ~1hr 50 minutes.
