BJCA Starter Committee Case Report Competition 2019

Do you have an interesting Cardiology Case to present?

We are pleased to announce our annual Case Report Competition is open for entries. Any BJCA Starter member, or junior doctor in training (who does not have a Cardiology training number) or clinical fellow (not in training) can enter.

The winner will be announced at the BJCA Starter Committee Conference in October and will be published in the EHJ – Case Reports.

Entries are limited to 1,200 words, excluding references. You may include up to a maximum of five figures or tables, along with up to 15 references. Case reports will be reviewed and scored anonymously but please include your full name and workplace on your submission email for notification purposes.

All submissions must have written consent from the patient and should not have been published or considered for publication elsewhere. All authors involved should be included on your submission email (maximum four authors). The first author must be a BJCA Starter member and provide their BJCA membership number or joint BCS/BJCA membership number. If you are unsure of your membership number, please email bjca@bcs.com. Detailed guidelines for composing your Case Report can be found on the European Heart Journal – Case Reports website (link below).
