

London accommodation

for medical and all other professions
– from one night to a year.

Contact us at: www.doctorhouse.co.uk

Finding accommodation in London, for short or long stays, is always difficult and often very expensive.

DOCTOR IN THE HOUSE is an accommodation agency established for over 30 years. We provide a high standard of accommodation at reasonable rates for medical and other professionals visiting London, attending conferences, courses, exams, research projects, business meetings etc.

We offer:

- ✓ Excellent accommodation in private houses/flats, personally visited and approved by our team
- ✓ We operate in all areas of London close to public transport
- ✓ Our accommodation is close to conference/business centres, hospitals, Royal Colleges and Institutes
- ✓ We offer a warm welcome with privacy and independence
- ✓ Study facilities, TV, broadband, kitchen and laundry are usually available
- ✓ Self-contained flats available at various rates
- ✓ Accommodation is also available in Edinburgh, Manchester, Bristol .

DOCTOR
IN THE
House

“

I cannot be more satisfied with the service provided by Doctor in the House; once I contacted the team with the specific requirements of accommodation location and stay, I was provided with wide range of suitable possibilities. It's just easy and fast. I have used this service many times and the accommodation is the perfect option for short to long-term accommodation.

Dr Alfredo Camara, Spain
