

Centre of Excellence
Cambridge Interventional Training Meeting
Learning Centre Papworth Hospital, Cambridge
Thursday 10th & Friday 11th December 2009

Supported by an unrestricted educational grant from:

Course Organisers:
Dr Peter Schofield
Dr Cameron Densem

- The meeting is aimed at senior SpRs in cardiology, who have a sub-speciality interest in interventional cardiology
- The course will involve demonstrations of interventional procedures and discussions with the delegates around live cases - including complex coronary intervention, rotablation, pressure wires, ASD/PFO closure and percutaneous valves.

BOOK EARLY - Limited places available
£25 registration fee (non-refundable)
