

European Association of Echocardiography (EAE) Club 35

What is Club 35?

Club 35 is a membership category of the European Association of Echocardiography (EAE) specifically designed to cater for the needs of young echocardiographers (under 35 years old). It aims to provide education, research and training specific to the needs of next generation of echocardiographers. The cost of membership is just 35 Euro per annum.

A wide range of exclusive benefits for members are provided:

Education

Membership includes access to online educational material on the EAE website. This includes:

- 3D Echo Box – an atlas of 3D echocardiography.
- Contrast Echo Box.
- Basic Online Echo Course – 16 chapters (containing both stills and videos).
- EAE webinars – “live” web-based interactive lectures by European Experts.
- Online Access to European Heart Journal Cardiovascular Imaging.

Research:

- 4 Research grants will be awarded by the EAE in 2013.
- The grants are for the sum of 25,000 Euro over 1 year.
- A list of research supervisors on EAE website will be available.

Training:

- Special “How to” Sessions and “Club 35 Track” session at Euroecho.
- Discounted registration fees and hotel accommodation at Euroecho.
- A list of training courses on EAE website.
- Discount on EAE accreditation.

Membership: The cost of membership is 35 Euro for 1 year. You become a full member of the EAE.
