

NOTES FOR APPLICANTS

Thank you very much for your interest in becoming a member of the British Cardiovascular Society. Please read the notes below before completing the application form.

1. For the BCS Membership Rules see www.bcs.com/membership.
2. Make sure that you complete the form clearly in capital letters and black ink and select the appropriate box in the Membership Criteria section (page one) and let us know if you wish to receive paper Heart (bottom of page one).
3. After completing, signing and dating page one of the application form, please fill in page two with your Credit Card details and sign it. Then complete page three with your Direct Debit details, which we will use to renew your membership, usually in June. Please note that we cannot process your application without the completed Credit Card and Direct Debit forms.
4. Your first year of membership is paid by credit card so please make sure you complete all the required information as incomplete forms will delay processing your application and sign and date it.
5. When completing a Direct Debit form make sure that you provide us with correct account name (including all names if there is more than one account holder) and full address of your bank and sign and date it. When accepted as a member the Direct Debit form will be forwarded to your bank by the Society. Membership applications with incomplete bank details on the DD form will not be processed until full details are provided. Make sure you send us the original Direct Debit form by post because banks do not accept scanned, faxed or photocopied forms. Sign and date your completed Direct Debit form ensuring that the form has signatures of all required signatories on the account (if more than one signature required).
6. Return your completed application form, by post, to:
