BCS/BCOS/UCLH Cancer Academy Cardio-Oncology Course 2023

Date: Tuesday 28 November 2023, 09:00 – 17:00

Venue: Royal College of Physicians, London

Course Directors

Dr Arjun Ghosh

Dr Shouvik Haldar

Prof Stuart Rosen

Dr Rebecca Roylance

Dr Andrew Wilson

This joint British Cardiovascular Society, British Cardio-Oncology Society, University College London Hospitals Cancer Academy course will give the attendee an update in contemporary cardio-oncology practice and will cover recent updates in cardio-oncology. A multidisciplinary practical approach to common cardiac issues in oncology/haem-oncology patients will be explored along with a review of the pivotal role of the cardiac physiologist in cardio-oncology echocardiography services.

ACCREDITATION

A CPD certificate (in the name of the participant) will be made available to the delegate once the feedback survey has been completed and attendance validated. CPD will only be available to those who have pre-registered for this event and attend in person the full day course on 28 November 2023. Note that this course is not being run as a hybrid event.
