'The Voice of UK Cardiology'

BCS & Mayo Cardiology Review Course Sponsorship 2024

The British Cardiovascular Society offers sponsors the opportunity to advertise to a highly targeted audience of members and non-members.

We value our partnerships with industry and welcome sponsorship of the courses to support improving patient care. The benefits of being a course sponsor include:-

- Exposure and reach of your brand / company
- Your logo will appear on the course materials as 'supported by'
- Opportunities to meet delegates at break times and lunch - your stand will be in the breakout room
- Your logo in the holding slide
- Additional slide to showcase one of your products
- 3 free places on the course

The cost for sponsoring the BCS & Mayo Cardiology Review Course is **£10,000 + VAT**

Thanks to the support of our generous sponsors, we are able to:

- Provide reduced rates to trainees and other members
- Invite expert speakers to courses and events
- Enhance and maintain the highest standards in training and education
- Support future Cardiologists and Cardiovascular practitioners across the UK and Europe
