National Training Day

AGENDA 2024

BCS National Training Day

Venue: The London Institute for Healthcare Engineering

Date: Friday 13 September

Course Directors

Dr Oliver Brown

Dr Sohaib Nazir

Dr Mark Sweeney

Covering topics from the current cardiology curriculum, the topics and sessions for these days are carefully tailored to address potential gaps in the Training Programme, or provide additional detail on areas trainees have identified as being of concern.

Certificate of Attendance

Accreditation for the National Training Day 2024 is applied for from the Federation of the Royal College of Physicians, UK. A CPD certificate (in the name of the participant) will be made available after the delegate feedback survey completed and attendance validated. CPD will only be available to those who have pre-registered for this event and attended the full day on 13 September.
