# Cardiology Review Course 2024

**Date: Monday 11 - Friday 15 March 2024**

**Venue: Royal College of Physicians, London**

## Course Directors

Dr Shouvik Haldar

Prof André Ng

Prof Rajiv Gulati

Now in its 15<sup>th</sup> year, the BCS and Mayo Clinic Cardiology Review Course 2024 is the premier opportunity for Consultants and Cardiology Trainees to update their knowledge in Cardiology and prepare for Revalidation.

Held over 5 days, this comprehensive course presented by leading figures from the UK and Mayo Clinic covers the European Cardiology Curriculum through a broad range of didactic lectures together with case-based interactive sessions.

## ACCREDITATION

A CPD and CME certificate (in the name of the participant) will be made available after the course, once the delegate feedback survey has been completed and attendance validated. CPD and CME points will only be available to those who have pre-registered for this event and attend the full course from Monday 11 to Friday 15 March 2024.
